

## P.E.E.R. Donation Form

Dear Friend,

Education is the foundation that will allow our children to be successful. Great schools give children the building blocks that will support them in their journey through life. With your support we can ensure our children's schools are the best they can be.

The advocacy group "Parents for Educational Excellence in Rocklin" (P.E.E.R.) was created by parents, for parents to help ensure our children get all the tools they need to succeed. P.E.E.R.'s mission is to:

- **Educate** parents and concerned citizens about their education choices in Rocklin, the essential elements of a good education, and provide an unbiased view of school performance.
- **Support Quality Education and School Choice** - We will work to ensure high quality educational options for all students at all grade levels from pre-school to university.
- **Advocate** - Provide a unified front to community leaders regarding education concerns.

With your generous donation, we will be able to fulfill our goal in achieving the highest quality schools in California. P.E.E.R. is a non-profit California Corporation with a completely non-partisan mission – helping our kids.

We thank you for your help and support,

Sean Jones  
President, P.E.E.R.
