## Parents for Educational Excellence in Rocklin

Dear Parents and Citizens,

If you are concerned about education we would like you to join Rocklin's only **Parental Advocacy** group – P.E.E.R. With your help we can return the balance of power in Rocklin and ensure parents have a voice in their child's education.

### What is P.E.E.R.?

P.E.E.R. is a grass-roots group of concerned parents who want to ensure educational excellence for all Rocklin students.

### What is P.E.E.R.'s mission?

- **Keep you informed** of the latest developments regarding all Rocklin schools.
- **Act as a Parent Advocate** to the Rocklin Unified School District. Approaching the district alone has proven to be difficult and important causes have been summarily dismissed. Through the power of numbers and organization, we have been able to invoke change.
- **Promote School Choice** – School choice includes having a direct voice in the educational opportunities your child is allowed to take advantage of, but it encompasses more. The administration and elected officials of any school district must be responsive to parental concerns and allow them a voice.

**Membership is free - Visit [www.rocklinedu.org](http://www.rocklinedu.org) to sign up.**

**"Parents have a fundamental human right to choose the schooling that will shape their children's understanding of the world. But a right isn't really a right if it can't be exercised."** - Charles Glen, former education advisor to Michael Dukakis
